The book is very special because Hugo lived alone in the train station because his father died in a fire. So all Hugo had after his father died is a notebook. But in the train station, it's a man who work with toys. He its very mean to Hugo, and take the notebook from him. So Hugo has to take it back, but he gets many problems.

Intro: Hugo lived alone in the train station, because his father died in a fire, so Hugo has to live with his uncle, but his uncle is mean to Hugo. All Hugo had after his father died is a notebook. But in the train station, it's a man who works with toys. That man is mean to Hugo too and he takes the notebook from him. Hugo has to take it back. But he meets a girl named Isabelle, she wanted to help Hugo and find the notebook!

Hugo is a boy who lives alone in the train station because his father died in a terrible fire. Hugo's father is working with a mechanical man. That mechanical man can draw and write. So Hugo is working with that. Hugo need a key to the mechanical man, but he can't find the key. But in the train station, is a man who working with toys. That man is bad to Hugo. He takes the notebook from him and he say he will burn it. But Hugo meet a girl named Isabelle in the train station. She wants to help Hugo to take the notebook back. The book is both fantasy and reality. It was not only the text of the book, it was many pictures.

Hugo: He is a boy who lived alone in the train station. He is a kind boy, before Hugo's father died, he made a mechanical man who can draw and write.

Papa George: He works with toys in the train station. He is mean to Hugo and take the notebook from him.

Isabelle: She is a kind girl. She wants to help Hugo and take the notebook back and find the key to the mechanical man.

I think the theme being alone and that it is important to have someone, either family or friends. This is a hidden theme.

I think the movie was good.

I think the book is good. It was very exciting. I like that there was pictures. It was great to watch a YouTube video before we read the book. It helped to understand what an automaton is.

I think the book was better than the movie because the book had more details.
